#### Supplier Search

Instructions : Select the minimum information necessary to find OneSource.  
Wild characters (\* and ?) may be used in the OneSource ID & Source Name fields. (e.g. 123\* or 123? Or \*90.)  
For RFA Processing, if source not found during search, click on CLOSE and follow instructions at top of previous screen  
New Search clears search fields and loads supplier list with no filters selected.

Expiration date is calculated based on Honeywell Audit and Nadcap as applicable.

If APSL Approval is expired, Supplier is not permitted to manufacture Honeywell product using the expired process after the expiration date nor ship product processed by an unapproved or expired special process source.

Expiration Date	Specification / Approval Code	Type Class	Grade/Other Scope	Category Family	PN Specific	Usg	External Comments / Restrictions	Approval Date
